Baby Driver is a fast paced action movie with the charm and appeal of an old time musical. It can also hold its own with the best of romantic comedies. There are so many interesting twists in this movie, and they masterfully lead us from the cynical world of organized crime into the optimism of first love. Please come watch and discuss this lovely depiction of anima and animus, surviving against all odds in a world bent on its destruction.

Viewing and discussion will be led by Jungian Analyst Lara Newton.
